

Bio for Derrick Miller

Derrick Miller of NJ Mobile Fusion offers a variety of online and offline marketing campaigns for local business owners, including Mobile marketing, SEO, Social Media integration and Video Marketing. His primary area of focus is working with local business owners to achieve greater online and offline presence in building their business and brand.

Derrick Miller has spent the last seventeen years marketing the latest products and services for various industries including, real estate, mortgage banking, legal services and various other local businesses throughout the New York/New Jersey tristate area. Prior to that he lead a fortune 500 company in IT sales of Wide Area Networking (WAN) equipment for more than five years. And prior to that, he developed the financial reporting systems for the State of New Jersey Child Support Enforcement Unit to monitor, collect and disburse over \$500 million annually to deserving child support recipients.

Born, raised and educated in the Philadelphia PA public school system, Derrick graduated from Rider College with a degree in Accounting and a concentration in Advertising/Marketing. During his time at Rider he also played on the Men's division one basketball program, where he started as a freshman on a basketball scholarship. Today Derrick is married with two children, and currently resides in New Jersey where he served as the local Home and School Board Association Treasurer.

Derrick can be reached via email at derrick@njmobilefusion.com, cell 530.656.8471 and his website is www.NJMobilefusion.com.
